1 INFORMATION WE COLLECT

Feed Eat Speak holds personal data as part of conducting a professional service. The data follows under the following headings: healthcare records, educational records, clinical records, general administrative records, and financial records.

1.1 Healthcare records

A healthcare record refers to all information collected, processed and held both in manual and electronic formats pertaining to the service user and their care. Speech, language and feeding problems can be complex, and a wide range of information may be collected in order to best meet the needs of the client, and to maintain a high quality service which meets best practice requirements. In order to provide a high quality service, a range of information may be collected.

Examples of data collected and held on all current and active clients include the following:

- Contact details: Name, address, phone numbers, e-mail address,
- Personal details: date of birth,
- Other contacts: name and contact details of GP and any other relevant healthcare professionals involved.

For child services:

- Parent/guardian details
- Description of family
- Educational placements.
- Pre- and post-natal history: This can include information relating to mother's pregnancy, and child's birth.
- Developmental data: developmental milestones, feeding history, audiology history, growth charts.
- Medical details: such as any relevant illnesses, medications, and relevant family history. Reports from other relevant medical and allied health professionals such as: Audiology, Psychology, CAMHS (Child & Adolescent Mental Health Services), Occupational therapy, Physiotherapy, Ophthalmology, Paediatricians.

1.2 Educational records

Relevant Individual Educational Plans (IEPs), progress notes from educational staff and school reports may be held.

1.3 Clinical records

Specific data in relation to feeding and communication skills may be collected and held, such as assessment forms, reports, case notes, e-mails, text messages and transcripts of phone. Audio and video files may also be collected and stored.

1.4 General administrative records

Feed Eat Speak may hold information regarding attendance reports and accident report forms.

1.5 Financial records

A financial record pertains to all financial information concerning the practice, e.g. invoices, receipts, information for Revenue. Feed Eat Speak may hold data in relation to: on-line purchasing history, card payments, bank details, receipts and invoices. Information will include name of bill payer, client name, address and record of invoices and payments made.

2 WHERE WE GET OUR INFORMATION

Personal data will be provided by the client, or in the case of a child (under 16 years), their parent(s)/guardian(s). This information will be collected as part of a case history form prior to, or on the date of first contact.

Information may also be provided directly from relevant third parties such as schools, medical professionals and allied health professionals, with prior consent from the parent(s)/guardian(s).

3 HOW WE USE THE INFORMATION THAT WE COLLECT

We use the information we collect to provide assessment and therapy as per the relevant professional guidelines, as well as to maintain the general running of the business, such as running our electronic booking system, keeping our accounts and updating you of any changes in policies or fees.

Information may also be used for research purposes, with the written consent of the client or parent/guardian.

3.1 Data retention periods

The retention periods are the suggested time periods for which the records should be held based on the organisation's needs, legal and/or fiscal precedence or historical purposes. Following the retention deadline, all data will be destroyed under confidential means.

3.2 Client Records

3.2.1 Clinical Records

Feed Eat Speak keeps both physical and electronic records of clinical data in order to provide a service.

- The preferred format for clinical data is electronic
- Clinical data is electronically archived after 2 years from last invoiced session. (Usually post discharge).
- Clinical data used for research purposes, may be kept for longer than 2 years.
- Video records/ voice recordings relating to client care/videoconferencing records may be recorded with consent, analysed and then destroyed. If written consent is provided to use recordings for training purposes, the client will have the option to withdraw consent at any time.

3.2.2 Financial Records

Feed Eat Speak keeps electronic/paper records of financial data from those who use our services.

Section 886 of the Direct Tax Acts states that the Revenue Commissioners require records to be retained for a minimum period of six years after the completion of the transactions, acts or operations to which they relate. These requirements apply to manual and electronic records equally.

- Financial Data is kept for 6 years to adhere to Revenue guidelines.
- Financial Data (including non-payment of bills) can be given to Revenue at Revenue's request.

3.2.3 Contact Data

Contact Data is kept for 6 years to allow processing of Financial Data if required. (This may be retained for longer for safety, legal request, or child protection reasons.)

3.3 Exceptions

If under investigation or if litigation is likely, files must be held in original form indefinitely, otherwise files are held for the minimum periods set out above.

4 INFORMATION WE SHARE

We do not share personal information with companies, organisations and individuals outside (*Name of business*) unless one of the following circumstances apply:

4.1 With your consent:

We will only share your Personal Identifying Information (PII) to third parties when we have express written permission by letter or email to do so. I require opt-in consent for the sharing of any sensitive information.

Third parties may include: hospitals, GPs, other allied health professionals, educational facilities.

4.2 For legal reasons:

We will share personal information with companies or organisations outside of Feed Eat Speak if disclosure of the information is reasonably necessary to:

- Meet any applicable law, regulation, legal process or enforceable governmental request.
- Meet the requirements of the Children First Act 2015.
- To protect against harm to the rights, property or safety of Feed Eat Speak our service users or the public as required or permitted by law.

4.3 To meet financial requirements:

Feed Eat Speak also is required to share Financial data with Tussies Limited in order to comply with local tax laws. Feed Eat Speak is obtaining a copy of Tussies Limited own Data protection policy.

5 HOW AND WHEN WE OBTAIN CONSENT

Prior to initial assessment or consultation, a link to the data protection policy will be provided to clients along with a consent form. The consent form will need to be signed by the client prior to commencing the service. Copies of the signed consent forms and *client contract* will be given to both parties.

Should a client wish to withdraw their consent for data to be processed, they can do so by contacting Feed Eat Speak.

6 HOW WE PROTECT YOUR DATA

In accordance with the General Data Protection Regulation (GDPR), we will endeavour to protect your personal data in a number of ways:

6.1 By limiting the data that we collect in the first instance

All data collected by us will be collected solely for the purposes set out at 1 above and will be collected for specified, explicit and legitimate purposes. The data will not be processed any further in a manner that is incompatible with those purposes save in the special circumstances referred to in section 5.1. Furthermore, all data collected by us will be adequate, relevant and limited to what is necessary in relation to the purposes for which it is collected which include, *inter alia*, the assessment, diagnosis and treatment of speech, language, communication and feeding disorders.

6.2 By transmitting the data in certain specified circumstances only

Data will only be share and transmitted, be it on paper, electronically or text, only as is required, and as set out in section 3.

6.3 By keeping only the data that is required

when it is required and by limiting its accessibility to any other third parties.

6.4 By retaining the data for only as long as is required

which in this case is until the child reaches the age of 18 years except for circumstances in which retention of data is required in circumstances set out at part 1.1 above or in certain specific circumstances as set out at Article 23(1) of the GDPR.

6.5 By destroying the data securely and confidentially after the period of retention has elapsed.

This could include the use of confidential shredding facilities or, if requested by the individual, the return of personal records to the individual.

6.6 By ensuring that any personal data collected and retained is both accurate and up-to-date.

7 PROTECTING YOUR RIGHTS TO DATA

7.1 Children

For children under the age of 16, data access requests are made by their guardians. When a child turns 16, then they may make a request for their personal data. However, this is subject to adherence with the Children First Act.

8 SECURITY

Feed Eat Speak as with most providers of healthcare services is aware of the need for privacy. As such, we aim to practice privacy by design as a default approach, and only obtain and retain the information needed to provide you with the best possible service.
